

ConnectedComponent
::getObjectId

Result::add

```
graph LR; A[Result::add] --> B[ConnectedComponent::getObjectId];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'ConnectedComponent' on the top line and '::getObjectId' on the bottom line. The box on the right is white and contains the text 'Result::add'. A dark blue arrow points from the right side of the white box to the right side of the gray box, indicating a call or relationship from 'Result::add' to 'ConnectedComponent::getObjectId'.
